

The Greater Patchogue Foundation 2015 Italian Festival of St. Liberata Journal Ad  
Request This Year Celebrating...

**John V. Rocco**  
**Chairman Patchogue Village Planning Board**  
**Chairman/CEO Patchogue Ambulance Company**

**As Our Italian American of the Year!**

July 15, 2015

Dear Friends and Family,

On Saturday September 26<sup>th</sup> The Greater Patchogue Foundation Inc. Cultural Heritage Committee will host the Annual Feast of St. Liberata in Downtown Patchogue Village. The Festivities kickoff at 12 noon and will wrap up at 6 PM, an entire afternoon of great family fun!

This year the Committee has chosen John as the Italian American of the Year. John, a lifelong resident of Patchogue remembers fondly the celebrations of this Feast from many years ago that were held on Waverly Avenue and was so happy to see it successfully revived again! The Festival is not only a great day for the Italians of our Village but also for folks of every heritage to come and enjoy a wonderful time of fun filled activities. Of course there will be fine Italian food and music as well as a host of activities that include a fantastic parade with the honoree leading the way. No Italian Feast would be complete without a procession of the Saint herself through the Festival. Also, it wouldn't be Italian without some fierce Bocce Ball competition from both the old and new Patchogue Bocce Masters.

For this Festival and for the work of the Foundation, funding is provided through your generous participation in our Journal. Please consider advertising your business or just sending a few kind words to John. Your ad will, of course, be printed in the Journal and it will be distributed to folks at the Feast.

So come spend some time with us. If you're not an Italian when you get there, you'll magically become one soon after you arrive!

We look forward to meeting you there.

The Rocco Family,

Cyndy, Mark, Jeffrey and Christine
