## GREATER PATCHOGUE

Volume 10, Issue 1

**January 2007**

A new sign displaying upcoming village events and the time and temperature has been erected by the Village Business Improvement District on the east wall of the NAPA building on Main Street, just west of Route 112. Funds for the project came from a Suffolk County Downtown Revitalization grant to our Chamber. The Foundation sponsored Ronan Tynan concert is the first event to be advertised. Tickets are still available. Note the 60 degree temperature. The picture was taken just before 4 PM on Jan. 6.

### A Bench For The Court

Suffolk County Legislator Jack Eddington obtained county grant funds for the Foundation that were used, in part, to create this mosaic bench as part of ongoing beautification at the 6th District Courthouse. Pictured are (left to right) Paula Murphy, artist Chip Hunter of Mosaica, Trustee Gerry Crean, Legislator Eddington, Judge G. Ann Spelman, Mayor Paul Pontieri and J.P. Brown.

### Population Increase

The first families are in their homes at the new 80 unit Copper Beach Village Workforce Housing project at South Ocean Avenue and Gerard Street. The Chamber is preparing welcome bags for the residents as they arrive. They contain gift items from Chamber member businesses. Meanwhile, construction is well underway at Bay Village on South Ocean Ave. (right).

## A Message from the Village Building Department

It has come to our attention that many businesses and store owners are erecting signs on their buildings and in their windows for which a permit is required. Under Village Code 9327, all permanent signs placed on a building or in a store window must have a permit and approval from the Architectural Review Board.

These signs include but are not limited to all facade signs and window signs which include window lettering and illuminated signs. The use of neon borders around store windows is not permitted.

Applications can be obtained from the Building Department. For those business that have placed signs in their windows or on their buildings without a permit, you can expect to receive a letter from the Building Department outlining your violation and what is needed to receive ARB approval.

Failure to comply is a violation of village code and can result in a summons. If you have any questions regarding the Village Code as it applies to signage, please call the Building Department at 475-8942. Your cooperation is greatly appreciated.

—Joe Brandi. Building Inspector
