GREATER PATCHOGUE

Volume 15, Issue 6

June 2012

New Storefront Rules

The Patchogue Village Board of Trustees approved new code legislation regarding storefront signage at its meeting on May 29. The changes to Article VII, Commercial Exterior Facades, Signage and Illumination, are effective immediately, although an effort is promised at education before full enforcement.

Most of the legislation deals with permanent signs and changes; permits are required for all changes except those regarding signs displayed in storefront windows and sidewalk sandwich boards.

Under the new rules, banners, flags, posters, and flyers may not be placed on the exterior of a store, but must be attached inside a window. These signs may not occupy more than 25% of the window's area and may not be hand written. "Grand Opening" signs may be displayed for only 60 days, and signs for completed events must be removed promptly. Flags and banners must not be more than five (5) feet tall. Grand opening or liquidation banners may be displayed for only 60 days.

Each storefront may have a sandwich board, but only one. Sandwich boards must be of reasonable size and not obstruct sidewalks or getting in or out of parked cars. They must be brought inside at the close of business each day.

TRITEC On A Roll: \$100 Million Project Begins

TRITEC began the demolition work for its West Main Street project on May 21, starting (left) with the Sam Gordon building on Lake St. The other two buildings on the west side of Havens were gone by the end of that week, and by press time, the taxi building on the northeast side of

Havens was gone as well. The demo work is expected to last until about the end of June. The library is also expected to be moved during that time period, first to a temporary location on South St. before its final home behind the courthouse.

Gorgeous summer weather for this year's Memorial Day Parade.

TRITEC began the demolition work for its West Main Street project on May 21, starting (left) with the Sam Gordon building on Lake St. The other two buildings on the west side of Havens were gone by the end of that week, and by press time, the taxi building on the northeast side of

Maximize Your Membership

In a world loaded with marketing options and information overload, I am often asked by new and existing business owners for an easy, inexpensive way to increase their local visibility to produce more opportunities and sales. I always challenge them back with this stunningly simple question, "Do you get the most out of your Chamber membership?"

Our Marketing Committee, headed by Melissa Kuehnle, has created an incredible "Membership Package" that will answer that very question. This package will provide information on who we are, what we do, and most importantly, how we can help you succeed!

Did you know that "63% of consumers prefer to purchase products or services from businesses that are members of their local Chamber?" For small businesses, the importance of making these contacts is vital for longevity.

Please stop by the Chamber office, call (631) 207-1000 or email info@patchoguechamber.com if you would like to receive this indispensable biz info for yourself or someone you know. Just a reminder—the office is now open six days a week Monday to Friday, 10-5 and Saturday, 11-3.

And remember—we are still offering our incentives for recommending a new member (\$40), and 50% off any banner ads on our Website! Gail, Jon or Maureen would love to sit down with you at the Chamber office or your business, and show you how our new and growing website can increase your businesses exposure!
